

Building a Better Bay Pines

Construction Update

Changes in April & May

Road Opens — April 23

- Bill Young Blvd will reopen in front of building 20

Geriatric Primary Care Clinic Construction Begins—April 23

- Construction fencing will go up on the west end of building 101. Fencing will block some open parking in lot #8A. ADA accessibility from Lot #8A into building 101 will be limited.

Covered Pedestrian Walkway & Plaza Closes—TBD (May)

- The covered pedestrian walkway will close and the south end of the plaza will be fenced. Pedestrians will have to use the new temporary pedestrian walkway (blue line noted on map) to travel between buildings 100, 1, and CLC

New Sidewalk —TBD (May)

- The contractor will install a new sidewalk from building 2, along the CLC that will connect to the temporary walkway. This will eliminate pedestrians from having to walk in the road.

Road Closes—TBD (May)

- Bill Young Blvd will close between building 20 and parking lot #11 entrance.

DO NOT ENTER CONSTRUCTION ZONES

It is a Felony to enter a designated construction site according to Florida Statutes 810.09(1) (a) and (2) (d). (3DEG. FEL). Persons found within Construction Zones may be charged by VA Police. It is for your safety to stay out of Construction Zones. Learn the safe routes to walk around to your destination.
