
Music Division Rules

All gold medal winners in the dance, drama and music divisions at the national level of competition will be invited to attend and participate as chorus members in the live stage show performance at the National Veterans Creative Arts Festival.

Note: Not all first-place winners will be asked to perform their entry in the show. Due to time constraints, the Festival show directors will choose approximately 25 dance, drama, and music gold medal entries to perform. The remaining gold medalists will be invited to make up the Festival chorus.

1. First-place ties in a category at the local competition **MUST** be re-judged at the local level as only one entry for each category will be accepted from each VA facility.
2. All entries in the dance, drama and music divisions must be recorded after April 1, 2020.
3. Suggested length of performance - no longer than three minutes.
4. Judges reserve the right to move an entry to the appropriate category or disqualify the entry if rules are not followed.
5. Music entries must be recorded live. No voice-over dubbing will be allowed. No lip syncing to a pre-recorded track will be allowed.
6. A medley of songs in an entry must be continuous/overlapping. Editing videos or starting/stopping songs to combine multiple songs as one entry will not be allowed.
7. Once an entry has placed first in the music division at the national level of competition, it is not eligible to be entered again. (Example: If a Veteran or group places first with a music selection in a category one year at the national level, the Veteran or group may not enter that specific music selection again in the competition but he may enter that category again with a different music selection.) Music entries that have not placed first at the national level of competition should not be entered more than two consecutive years.
8. No restrictions or qualifications shall be placed on accompanists for musicians. However, **accompanists may only accompany and not take instrumental leads or solos**. There is no limit in the number of accompanists that may be utilized in an entry as long as they are only accompanying. A band of musicians may accompany a vocal solo, vocal group, instrumental solo or instrumental group. (Example: An instrumental group entry may consist of eligible Veterans taking leads on saxophone, trumpet and guitar accompanied by non-lead taking VA staff or volunteers on piano, drums and bass.)
9. An original composition may be placed in categories other than original. **It is required that original vocal entries also submit the typed lyrics along with their entry paperwork.**

10. The **addition of staff, volunteer(s), and/or Veterans who are not eligible Veterans to any entry other than as accompanists will result in disqualification.** It should be noted that although the National Veterans Creative Arts Program recognizes the therapeutic value of participation of staff, volunteers and ineligible Veterans in groups, it is essential in keeping with the fairness of the competition that **only eligible Veterans** are competing against each other.
11. Only one voice may be present to be considered a solo. Once a second voice is added the **entry becomes a group entry and singers must meet eligibility requirements.** If back-up voices are present, they must be eligible Veteran inpatients or outpatients and their inclusion would make the entry a **Vocal Group**. Back-up singing by staff, volunteers, ineligible Veterans or karaoke will result in disqualification. Karaoke tapes must not include back-up singing but must be instrumental accompaniment only. **Back-up tracks that have the Veteran's voice dubbed in, vocalizers, and harmonizers are not allowed.**
12. The presence of any vocalizations in an instrumental entry will eliminate that entry from competing in the instrumental category with the exception of Instrumental Drums/Percussion and the Band categories.
13. TITLE PAGE – Each entry must have a title page displayed prior to the entry being shown. The title page should include the Category and the Title of the Entry. The title page can be inserted during the editing process or it can be done manually prior to the taping. It is acceptable to hold up a handwritten sign that states the category and title of piece.

Note: VA staff contact persons will be notified via E-mail with the competition results.

***Vocal Group:** To meet the intent of the categories for **Vocal Group**, the group must have **more than one eligible Veteran singing**.
